ACP SERVICE

When you ship your product to Japan, you must get an import permit from Japanese Customs.

There are 2 ways to declare to Japanese Customs: setting up a Japanese Legal Entity as importer or appointing a Japanese Customs broker as your Attorney for Customs Procedure (ACP).

Our ACP service is responsible for the products you declare will comply to the Japanese laws, and also responsible for the price you declare will conform to the Japanese tariff law.

However ACP cannot be applied for the products such as Foods & Beverages, Infant toys, Kitchen goods, Pharmaceutical items and Cosmetics.

For appointing us as your ACP

We will need you to

- ✓ Fill out the below PDF form
https://www.customs.go.jp/kaisei/youshiki/form_C/C7500.pdf
- ✓ Write an authorization letter for appointing FCSL as your ACP
- ✓ Provide us your company's homepage or brochure
- ✓ Provide us your product list
- ✓ Provide us a copy of the Corporate registration

Foodstuffs & Tableware & Infant Toys

ACP service cannot be used for foodstuffs, tableware & infant Toys.
In this case If you can provide

- ✓ Full detail of the manufacturing process of your products
- ✓ Full detail of ingredients

We will be able to act as your importer, support

- ✓ Documents translation
- ✓ Application at Organization of the Ministry of Health,
Labor and Welfare

B to B

B to C & B to B

FCSL offers forwarding service not only for E-Commerce business, but also offers forwarding & warehousing services for B to B business. Our business consists of supply chain and logistics services worldwide.

WORLDWIDE

FCSL is a provider of freight forwarding and related logistics services throughout Japan and branch offices worldwide. Since the establishment in 2000 with headquarter located in Osaka, Japan, we offer services in China, Vietnam, Cambodia and Myanmar(Burma).

INVENTORY

If you are doing business, both online and offline, you will be able to control your inventory at the same warehouse. And we also offer bonded warehouse service in Japan if you wish your shipments to be stored without paying duty & tax.

FULFILLMENT AND WAREHOUSING

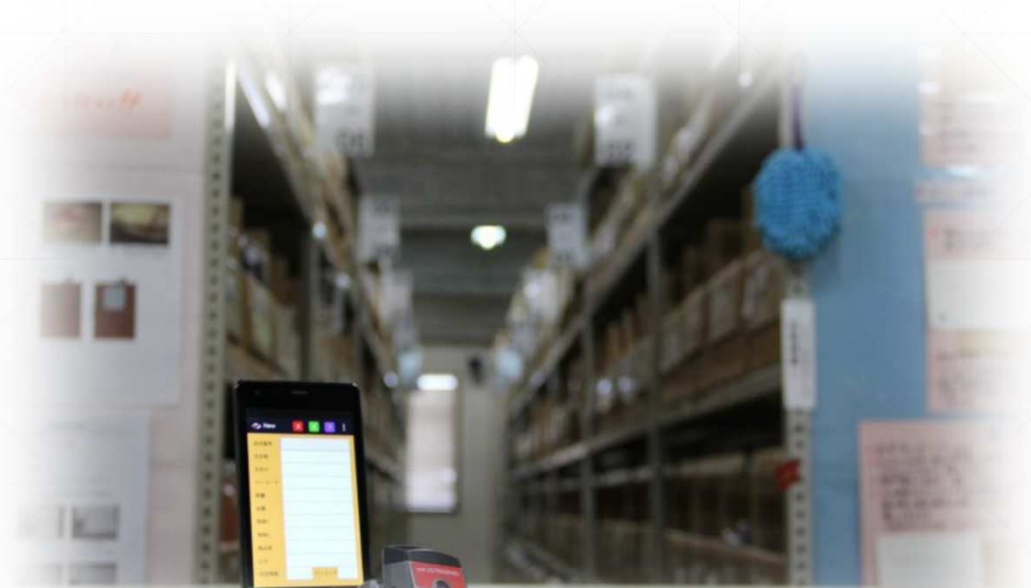

Our Fulfillment service covers

- ◆ Receiving cargo
- ◆ Storage
- ◆ Pick and Pack
- ◆ Arrange last one mile

Warehousing

40,000m2 space , we have enough space for your development!

WAREHOUSE

Our warehousing and storage facilities strategically located across four sites in Tokyo, Osaka, and Kobe

FBA_{with} FCSL

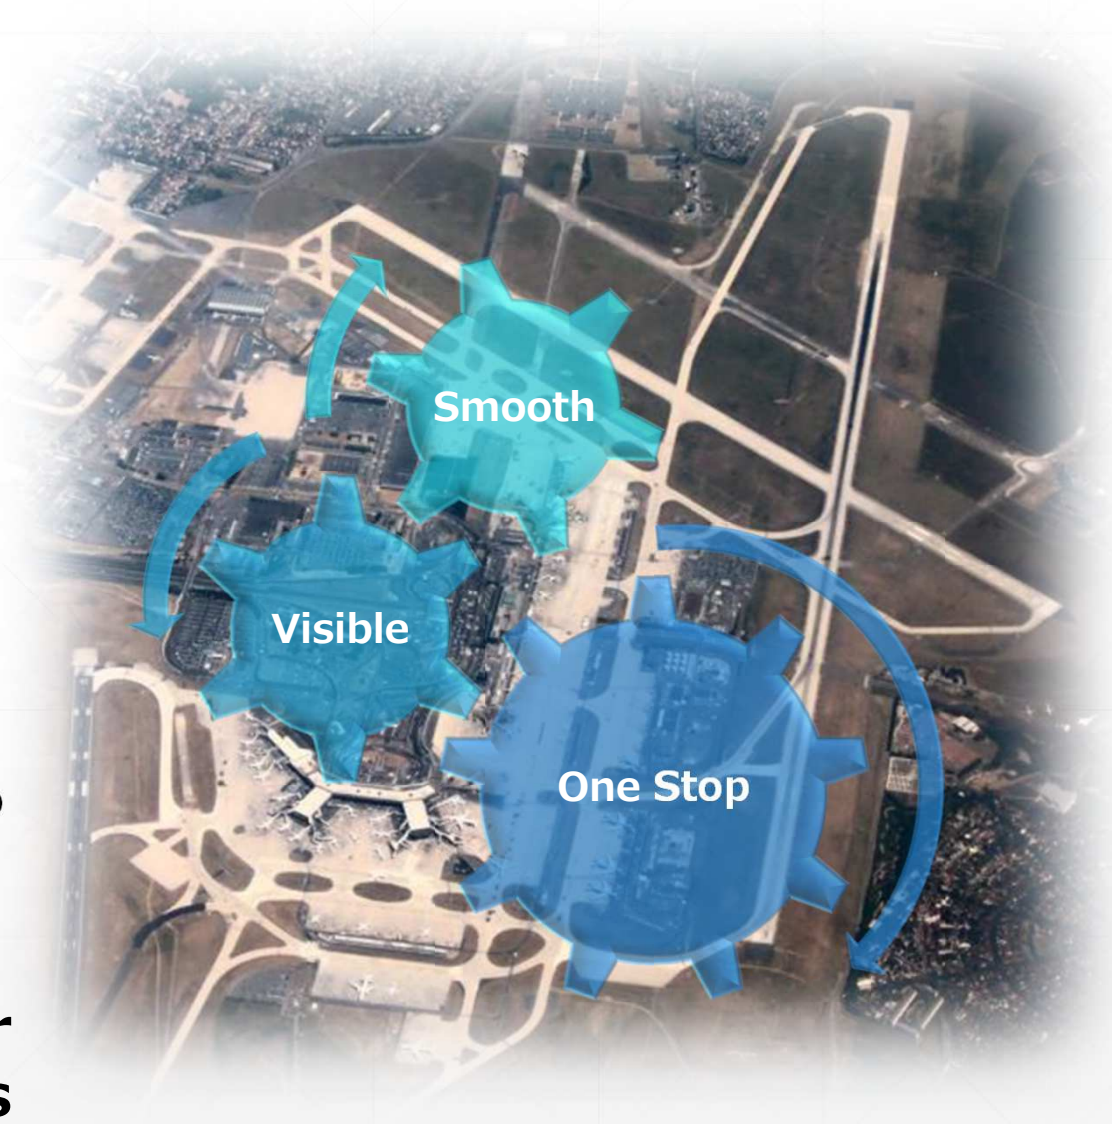

FCSL is very experienced in FBA service.

If you can provide your products list, we will check your commodity and & the price for the declaration to Japanese Customs in advance.

Also we have overseas gateway, to pick up cargo at your door, which makes it possible to provide one stop service from your door to FBA warehouse.

.

**The best freight forwarder
for your FBA business**
